PAST PERFORMANCE

Sun Coast Resources- Phoenix, AZ

Subcontractor

Jun 2021 - Aug 2021

Hauling of diesel fuel and gasoline under a state of emergency. Our responsibilities included loading manually at specific refineries and delivering to gas service stations. Telematics were always used in our equipment for tracking purposes.

Sun Coast Resources- Punta Gorda, FL

Subcontractor

Sept 2022 - Oct 2022

Hauling of potable drinking water to disaster areas supplying Florida Light and Power Co. and first responder personnel. Equipment used were 45 ft water tanker trailers and water testers to test the levels of chlorine for sufficient drinking purposes. Telematics were critical for this project.
